

Summary

Technically proficient professional experienced in building scalable web applications using MERN Stack and Django, with strong knowledge of RESTful APIs, database management, and responsive web design. A quick learner with proven problem-solving, communication, teamwork, and adaptability skills.

Experience

AI Intern – SmartED Company (Jul 2024 – 2025)

- Supported AI application development, automation, and technical documentation.

Projects

Student Performance Prediction System (ML)

- Built a machine learning model to predict student academic performance based on engagement and score data.
- Performed data preprocessing, analysis, and model training using Python libraries.

AI Loan Approval System (ML)

- Developed a predictive machine learning model for loan approval based on applicant details.
- Implemented data cleaning, feature selection, and model evaluation techniques.

Heart Disease Prediction using ECG (ML):

- Created a predictive system to detect heart disease using ECG/image datasets.
- Applied machine learning algorithms and data visualization techniques for analysis.

Facial Recognition System (ML) :

- Developed a face detection and recognition application using machine learning techniques.
- Implemented image processing and real-time facial identification features.

Pizza Ordering System (MERN Stack):

- Developed a full-stack pizza ordering application using MongoDB, Express.js, React.js, and Node.js.
- Implemented cart management, user authentication, ordering system, and admin dashboard.

Technical Skills

- Programming Languages:** Python, JavaScript
- Frameworks & Stacks:** MERN Stack, Django
- Libraries:** Pandas, NumPy, Matplotlib
- Databases:** MySQL, MongoDB

Education

Master of Computer Application (MCA)

MES College of Engineering – 80%

2024 – 2026

Malappuram, Kerala

Bachelor of Computer Science

Ideal Arts and Science College – 75%

2021 – 2024

Palakkad, Kerala

Certifications

- Artificial Intelligence Certification - 2025
- Meta Back-End Developer Certificate – 2024
- Cloud Computing Certification - 2024

Languages

- English
- Hindi
- Malayalam
